

SUPPORT THE COLDSTREAM GUARDS IN AFGHANISTAN

**COLDSTREAM GUARDS - OP HERRICK 11
OCT 09 - APR 10**

The 1st Bn Coldstream Guards are carrying out a wristband awareness campaign to generate support for all Coldstream Guards soldiers and their families. As an English Regiment, the design of the wristband is based on the St Georges Cross. The aims of the appeal are:

- Support to the families of those members of the Battalion who are Killed In Action (e.g. support with funeral costs beyond that provided at Public Expense).
- Support to those injured on operations and their families (e.g. support with costs incurred to make alterations to houses if needed etc).
- Support to families of those currently deployed (e.g. provide activities for families, wives and children to help them cope with separation).
- Support to soldiers returning from operations to facilitate their transition to normal life once more (e.g. funding Adventurous Training, Sport, and Team Building activities).
- Support to soldiers and / or their families under extraordinary personal strain for whom assistance by the Charity would be immediate and meaningful.

Wear a Coldstream Guards Wristband to show you care!
